

February 20, 2012

Date & Location

April 10-12, 2012, Orlando, FL

Purpose

To foster better understanding and cooperation among all stakeholders in the prescription drug abuse arena – state and national leaders, law enforcement officials, medical professionals, community advocates, treatment experts, educators, insurance and benefits managers, private industry leaders, and others – who are finding success in battling this nationwide epidemic, and how that cooperation can lead to successful outcomes.

Program Features

- Presentations are organized into 5 **Educational Tracks** – **Health Care, Advocacy & Prevention, Human Resources, Treatment, and Law Enforcement** – tailored to provide stakeholders timely and relevant information for their particular fields.
- 5 **General Session Keynote Presentations** featuring national officials leading the fight in prescription drug abuse intervention, prevention, treatment and education.
- 25 **Breakout Sessions/Panel Discussions** featuring presentations by more than 60 national experts and leaders of successful initiatives.
- 3 **Summit Select Sessions** providing an in-depth examination of innovative programs and strategies designed to educate, mitigate and resolve issues related to Rx drug abuse across the country.
- Program development and conference offerings is driven by a 10-member **National Advisory Board**.
- **Continuing Education** credits will be offered for physicians, physician assistants, nurse practitioners, pharmacists, nurses, attorneys, certified counselors, social workers, and human resources professionals.

Keynote Presenters

**U.S. Congressman
 Harold "Hal" Rogers**

**NIDA Director
 Nora D. Volkow**

**ONDCP Director
 R. Gil Kerlikowske**

**US Surgeon General
 Regina M. Benjamin**

**DEA Diversion Control
 Deputy Asst. Administrator
 Joseph T. Rannazzisi**

**Florida Attorney General
 Pam Bondi**
